Stephen Hough

Rough Ideas Stephen Hough, 2020-02-04 A collection of essays on music and life by the famed classical pianist and composer Stephen Hough is one of the world's leading pianists, winning global acclaim and numerous awards, both for his concerts and his recordings. He is also a writer, composer, and painter, and has been described by The Economist as one of "Twenty Living Polymaths." Hough writes informally and engagingly about music and the life of a musician, from the broader aspects of what it is to walk out onto a stage or to make a recording, to specialist tips from deep inside the practice room: how to trill, how to pedal, how to practice. He also writes vividly about people he's known, places he's traveled to, books he's read, paintings he's seen; and he touches on more controversial subjects, such as assisted suicide and abortion. Even religion is there—the possibility of the existence of God, problems with some biblical texts, and the challenges involved in being a gay Catholic. *Rough Ideas* is an illuminating, constantly surprising introduction to the life and mind of one of our great cultural figures.

Where Nobody Knows Your Name John Feinstein, 2015-03-17 Minor league baseball is quintessentially American: small towns, small stadiums, \$5 tickets, \$2 hot dogs, the never-ending possibility of making it big. But looming above it all is always the real deal: Major League Baseball. John Feinstein takes the reader behind the curtain into the guarded world of the minor leagues, like no other writer can. *Where Nobody Knows Your Name* explores the trials and travails of the inhabitants of Triple-A, focusing on nine men, including players, managers and umpires, among many colorful characters, living on the cusp of the dream. The book tells the stories of former World Series hero Scott Podsednik, giving it one more shot; Durham Bulls manager Charlie Montoya, shepherding generations across the line; and designated hitter Jon Lindsey, a lifelong minor leaguer, waiting for his day to come. From Raleigh to Pawtucket, from Lehigh Valley to Indianapolis and beyond, this is an intimate and exciting look at life in the minor leagues, where you're either waiting for the call or just passing through.

Morningside Heights Joshua Henkin, 2022-05-24 A New York Times Book Review Editors' Choice Book • When Ohio-born Pru Steiner arrives in New York in 1976, she follows in a long tradition of young people determined to take the city by storm. But when she falls in love with and marries Spence Robin, her hotshot young Shakespeare professor, her life takes a turn she couldn't have anticipated. Thirty years later, something is wrong with Spence. The Great Man can't concentrate; he falls asleep reading *The New York Review of Books*. With their daughter, Sarah, away at medical school, Pru must struggle on her

own to care for him. One day, feeling especially isolated, Pru meets a man, and the possibility of new romance blooms. Meanwhile, Spence's estranged son from his first marriage has come back into their lives. Arlo, a wealthy entrepreneur who invests in biotech, may be his father's last, best hope. Morningside Heights is a sweeping and compassionate novel about a marriage surviving hardship. It's about the love between women and men, and children and parents; about the things we give up in the face of adversity; and about how to survive when life turns out differently from what we thought we signed up for.

The Wall Street Journal Guide to Information Graphics: The Dos and Don'ts of Presenting Data, Facts, and Figures Dona M. Wong, 2013-12-16 The definitive guide to the graphic presentation of information. In today's data-driven world, professionals need to know how to express themselves in the language of graphics effectively and eloquently. Yet information graphics is rarely taught in schools or is the focus of on-the-job training. Now, for the first time, Dona M. Wong, a student of the information graphics pioneer Edward Tufte, makes this material available for all of us. In this book, you will learn: to choose the best chart that fits your data; the most effective way to communicate with decision makers when you have five minutes of their time; how to chart currency fluctuations that affect global business; how to use color effectively; how to make a graphic "colorful" even if only black and white are available. The book is organized in a series of mini-workshops backed up with illustrated examples, so not only will you learn what works and what doesn't but also you can see the dos and don'ts for yourself. This is an invaluable reference work for students and professional in all fields.

The Clean Body Peter Ward, 2019-11-01 How often did our ancestors bathe? How often did they wash their clothes and change them? What did they understand cleanliness to be? Why have our hygienic habits changed so dramatically over time? In short, how have we come to be so clean? The Clean Body explores one of the most fundamental and pervasive cultural changes in Western history since the seventeenth century: the personal hygiene revolution. In the age of Louis XIV bathing was rare and hygiene was mainly a matter of wearing clean underclothes. By the late twentieth century frequent - often daily - bathing had become the norm and wearing freshly laundered clothing the general practice. Cleanliness, once simply a requirement for good health, became an essential element of beauty. Beneath this transformation lay a sea change in understandings, motives, ideologies, technologies, and practices, all of which shaped popular habits over time. Peter Ward explains that what began as an urban bourgeois phenomenon in the later eighteenth century became a universal condition by the end of the twentieth, touching young and old, rich and poor, city dwellers and country residents alike. Based on a wealth of sources in English, French, German, and Italian, The Clean Body surveys the great hygienic transformation that took place across Europe and North America over the course of four centuries.

The Wall Street Journal Guide to the End of Wall Street as We Know It Dave Kansas, 2009-01-27 The definitive guide for Main Street readers who want to make sense of what's happening on Wall Street, and better understand how we got here and what we need to know to in days to come. Written by seasoned financial writer Dave Kansas, this official Wall Street

Journal guide will be filled with practical information, revealing what the crisis means for reader's financial lives, and what steps they should be taking now to inform and protect themselves.

Author in Chief Craig Fehrman, 2020-02-11 "One of the best books on the American presidency to appear in recent years." —Thomas Mallon, *The Wall Street Journal* "Fun and fascinating...It's witty, charming, and fantastically learned. I loved it." —Rick Perlstein Based on a decade of research and reporting, *Author in Chief* tells the story of America's presidents as authors—and offers a delightful new window into the public and private lives of our highest leaders. Most Americans are familiar with Abraham Lincoln's famous words in the Gettysburg Address and the Emancipation Proclamation. Yet few can name the work that helped him win the presidency: his published collection of speeches entitled *Political Debates* between Hon. Abraham Lincoln and Hon. Stephen A. Douglas. Lincoln labored in secret to get his book ready for the 1860 election, tracking down newspaper transcripts, editing them carefully for fairness, and hunting for a printer who would meet his specifications. *Political Debates* sold fifty thousand copies—the rough equivalent of half a million books in today's market—and it reveals something about Lincoln's presidential ambitions. But it also reveals something about his heart and mind. When voters asked about his beliefs, Lincoln liked to point them to his book. In Craig Fehrman's groundbreaking work of history, *Author in Chief*, the story of America's presidents and their books opens a rich new window into presidential biography. From volumes lost to history—Calvin Coolidge's *Autobiography*, which was one of the most widely discussed titles of 1929—to ones we know and love—Barack Obama's *Dreams from My Father*, which was very nearly never published—Fehrman unearths countless insights about the presidents through their literary works. Presidential books have made an enormous impact on American history, catapulting their authors to the national stage and even turning key elections. Beginning with Thomas Jefferson's *Notes on the State of Virginia*, the first presidential book to influence a campaign, and John Adams's *Autobiography*, the first score-settling presidential memoir, *Author in Chief* draws on newly uncovered information—including never-before-published letters from Andrew Jackson, John F. Kennedy, and Ronald Reagan—to cast fresh light on the private drives and self-doubts that fueled our nation's leaders. We see Teddy Roosevelt as a vulnerable first-time author, struggling to write the book that would become a classic of American history. We see Reagan painstakingly revising *Where's the Rest of Me?*, a forgotten memoir in which he sharpened his sunny political image. We see Donald Trump negotiating the deal for *The Art of the Deal*, the volume that made him synonymous with business savvy. Alongside each of these authors, we also glimpse the everyday Americans who read them. Combining the narrative felicity of a journalist with the rigorous scholarship of a historian, Fehrman delivers a feast for history lovers, book lovers, and everybody curious about a behind-the-scenes look at our presidents.

The Absolutely True Diary of a Part-Time Indian (National Book Award Winner) Sherman Alexie, 2012-01-10 A New York Times bestseller—over one million copies sold! A National Book Award winner A Boston Globe-Horn Book Award winner

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and black-and-white interior art throughout, this edition is perfect for fans and collectors alike.

The Wall Street Journal Guide to Understanding Money & Investing Kenneth M. Morris, Virginia B. Morris, 2004
Traces the history of money and discusses stocks, bonds, mutual funds, futures, and options.

The Irwin Guide to Using the Wall Street Journal Michael B. Lehmann, 1996 Since it was first published in 1984, *The Irwin Guide to Using The Wall Street Journal* has shown more than a quarter-million investors how to locate, understand, and profit from the financial information found every day in the Journal. This seventh edition expands and updates on the book's wide-ranging charts and information, making it the most complete and up-to-date Wall Street Journal user's guide available. For the first time, this latest edition also focuses on the Journal's companion website, WSJ.com, and introduces you to the myriad ways in which the online edition complements and expands upon the print edition. Examples of actual onscreen pages help you quickly navigate the site to get just the information you need. In addition, step-by-step directions walk you through four sets of data-gathering procedures of particular value to investors: News Article Retrieval-Follow links directly to current news stories and use Advanced Search to retrieve archived stories from past editions, Company Information-Obtain current and past stock quotes, financials, and analyst recommendations, download hundreds of company reports for free, and more, Economic Information-Look up the latest government reports on economic indicators, study expert industry analyses, track Fed policy and actions, and more, Market Information-Read the latest news and numbers, receive Heard on the Street and other e-mail updates throughout the day, gain access to columns available only online, and more. *The Irwin Guide to Using The Wall Street Journal* covers virtually every financial aspect of business and the economy. It shows you how to quickly find and interpret data and information on literally hundreds of critical topics, including how and why interest rates affect markets, how deficits impact the inflation rate and stock prices, the impact of the Federal Reserve on your investment portfolio, and strategies to manage and even reduce the risks of commodities and futures investing. *The Wall Street Journal* is the authoritative source for business and investment news. *The Irwin Guide to Using the Wall Street Journal* shows you how, by understanding a handful of key statistical reports in the Journal, you can get a surprisingly quick and firm comprehension of the ups and downs of the American economy, and use that comprehension to dramatically improve both

your short- and long-term investment performance. Book jacket.

The Wall Street Journal Essential Guide to Business St Paul Martin, 2010-07-06 The indispensable resource that has helped the writers and editors of The Wall Street Journal earn a reputation for the most authoritative business writing anywhere -- now fully expanded and revised for the twenty-first century In the field of business, the words you use -- and how you use them -- can either bolster your credibility or undermine your intelligence. For anyone who is faced with the task of writing a memo, report, proposal, press release or even an e-mail, The Wall Street Journal Essential Guide to Business Style and Usage is an invaluable one-stop resource. Originally intended exclusively for use by the paper's staff, the book is organized in a user-friendly A to Z format, with appropriate cross-referencing, that helps you solve almost any question of spelling, grammar, punctuation or word definition. For those seeking a competitive edge for succeeding in the world of business, The Wall Street Journal Essential Guide to Business Style and Usage is the definitive reference to keep close to your desk -- the last word for everyone who works with words.

Erasure Percival Everett, 2011-10-25 Percival Everett's blistering satire about race and publishing, now adapted for the screen as the Academy Award-winning AMERICAN FICTION, directed by Cord Jefferson and starring Jeffrey Wright Thelonious Monk Ellison's writing career has bottomed out: his latest manuscript has been rejected by seventeen publishers, which stings all the more because his previous novels have been critically acclaimed. He seethes on the sidelines of the literary establishment as he watches the meteoric success of We's Lives in Da Ghetto, a first novel by a woman who once visited some relatives in Harlem for a couple of days. Meanwhile, Monk struggles with real family tragedies—his aged mother is fast succumbing to Alzheimer's, and he still grapples with the reverberations of his father's suicide seven years before. In his rage and despair, Monk dashes off a novel meant to be an indictment of Juanita Mae Jenkins's bestseller. He doesn't intend for My Pafology to be published, let alone taken seriously, but it is—under the pseudonym Stagg R. Leigh—and soon it becomes the Next Big Thing. How Monk deals with the personal and professional fallout galvanizes this audacious, hysterical, and quietly devastating novel.

The Wall Street Journal Essential Guide to Management Alan Murray, 2010-08-10 The Wall Street Journal Essential Guide to Management offers “Lasting Lessons from the Best Leadership Minds of Our Time.” Compiled by Alan Murray, Deputy Managing Editor of the Wall Street Journal, this is the definitive guide to how to be a successful manager from the world's most respected business publication—an indispensable handbook for new managers and veterans alike, providing solid business strategies to help them put their best ideas to work.

The Wall Street Journal Book of Personal Technology Walter S. Mossberg, 1995 This witty and candid guide cuts through the jargon, hype, and visionary mumbo-jumbo to explain in realistic, down-to-earth terms exactly what the newest computers, software, and communications devices can--and cannot--do for the average, intelligent non-nerd.

The Wall Street Journal Lifetime Guide to Money Staff of the Wall St Journal,1997-01-02 A comprehensive guide to money management provides organized, up-to-date information and advice that highlights major age groups and addresses such topics as building a stock portfolio, taxes, managing debt, loans, and lines of credit.

The Wall Street Journal Guide to Planning Your Financial Future, 3rd Edition Kenneth M. Morris,Virginia B. Morris,2002-09-03 The Wall Street Journal Guide To Planning Your Financial Futureprovides clear explanations of the things you need to know and guidelines for the decisions you have to make to enjoy a comfortable retirement. It covers the advantages of salary reduction plans, clarifies the difference between Roth and traditional IRAs, and describes the benefits of effective tax planning. And it provides practical, helpful ideas to get you started.

The Wall Street Journal Guide to Understanding Personal Finance Kenneth M. Morris,Virginia B. Morris,2004 Covers banking services, credit, home finance, financial planning, investments, and taxes.

The Savvy Author's Guide To Book Publicity Lissa Warren,2008-12-15 Here is an essential reference for writers -- from the self-published to those published by major houses -- written by a leading book publicist who pitches books to media every day of her working life. Tapping into her years publicizing such authors as pediatrician Dr. T. Berry Brazelton, poet Mary Oliver, and economist John Kenneth Galbraith, Da Capo Press Senior Director of Publicity Lissa Warren covers book promotion with a publicist, without a publicist, and when a publicist isn't getting results. Each chapter details what happens to a book once it's off press, and how authors can be helpful in the promotion process -- or even spearhead it if need be -- to get the coverage they deserve. Warren's advice is buttressed by her stories of authors -- the enterprising, the shy, the well-prepared, and the novice -- relating tours gone awry, best-sellers made and nearly made, and great and not-so-great author/publicist collaboration. The Savvy Author's Guide to Book Publicity covers everything from how to write press material, targeting the right shows and publications, following up effectively with the media, and hiring people who can help ensure that every bookseller and consumer has a chance to hear an author's message loud and clear.

The Wall Street Journal Guide to Understanding Your Taxes Scott R. Schmedel,Kenneth M. Morris,Alan M. Siegel,1994 Easy-to-use and designed for use all year long, this uncomplicated, graphic approach to the often bewildering world of taxes is the perfect companion to annual preparation guides and an ideal planning primer. 200 four-color and black-and-white photos, diagrams, and charts.

The Wall Street Journal ,2009
