**Sea of Memories** Fiona Valpy, 2018-03 When Kendra first visits her ailing grandmother, Ella has only one request: that Kendra write her story down, before she forgets... In 1937, seventeen-year-old Ella's life changes forever when she is sent to spend the summer on the beautiful Île de Ré and meets the charismatic, creative Christophe. They spend the summer together, exploring the island's sandy beaches and crystal-clear waters, and, for the first time in her life, Ella feels truly free. But the outbreak of war casts everything in a new light. Ella is forced to return to Scotland, where she volunteers for the war effort alongside the dashing Angus. In this new world, Ella feels herself drifting further and further from who she was on the Île de Ré. Can she ever find her way back? And does she want to? From the windswept Île de Ré to the rugged hills of Scotland, *Sea of Memories* is a spellbinding journey about the power of memory, love and second chances.

**Memories** Teffi, 2016-05-03 WINNER OF THE 2018 READ RUSSIA PRIZE AND THE PUSHKIN HOUSE BEST BOOK IN TRANSLATION IN 2017 Considered Teffi's single greatest work, *Memories: From Moscow to the Black Sea* is a deeply personal account of the author's last months in Russia and Ukraine, suffused with her acute awareness of the political currents churning around her, many of which have now resurfaced. In 1918, in the immediate aftermath of the Russian Revolution, Teffi, whose stories and journalism had made her a celebrity in Moscow, was invited to read from her work in Ukraine. She accepted the invitation eagerly, though she had every intention of returning home. As it happened, her trip ended four years later in Paris, where she would spend the rest of her life in exile. None of this was foreseeable when she arrived in German-occupied Kiev to discover a hotbed of artistic energy and experimentation. When Kiev fell several months later to Ukrainian nationalists, Teffi fled south to Odessa, then on to the port of Novorossiysk, from which she embarked at last for Constantinople. Danger and death threaten throughout *Memories*, even as the book displays the brilliant style, keen eye, comic gift, and deep feeling that have made Teffi one of the most beloved of twentieth-century Russian writers.

**Beach House Memories** Mary Alice Monroe, 2012-05-08 New York Times bestselling author Mary Alice Monroe's Southern-set classic *Beach House Memories*, the sequel to *The Beach House*, now a Hallmark Channel movie starring Andie MacDowell! Autumn brings haunting beauty to the sun-soaked dunes on Isle of Palms, where Lovie Rutledge lives in her beloved Primrose Cottage. As seasons change, Lovie remembers one special summer... In 1974, America is changing, but Charleston remains eternally the same. When Lovie married aristocratic businessman Stratton Rutledge, she turned over her

fortune and fate to his control. But she refused to relinquish one thing: her family's old seaside cottage. Precious summers with her children are Lovie's refuge from social expectations and her husband's philandering. Here, she is the "Turtle Lady," tending the loggerhead turtles that lay eggs in the warm night sand and then slip back into the sea. In the summer of '74, biologist Russell Bennett visits to research the loggerheads. Their shared interest soon blooms into a passionate, profound love—forcing Lovie to face an agonizing decision. Stratton's influence is far-reaching, and if she dares to dream beyond a summer affair, she risks losing her reputation, her wealth, even her children. This emotional tale of a strong woman torn between duty and desire, between tradition and change, is an empowering journey through the seasons of self-discovery. Until this autumn, this time of winds and tides, of holding on and letting go...

In Memory of Memory Maria Stepanova, 2021-02-09 An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

**A Sephardi Sea** Dario Miccoli,2022-07-26 A Sephardi Sea tells the story of Jews from the southern shore of the Mediterranean who, between the late 1940s and the mid-1960s, migrated from their country of birth for Europe, Israel, and beyond. It is a story that explores their contrasting memories of and feelings for a Sephardi Jewish world in North Africa and Egypt that is lost forever but whose echoes many still hear. Surely, some of these Jewish migrants were already familiar with their new countries of residence because of colonial ties or of Zionism, and often spoke the language. Why, then, was the act of leaving so painful and why, more than fifty years afterward, is its memory still so tangible? Dario Miccoli examines how the memories of a bygone Sephardi Mediterranean world became preserved in three national contexts—Israel, France, and Italy—where the Jews of the Middle East and North Africa and their descendants migrated and nowadays live. A Sephardi Sea explores how practices of memory- and heritage-making—from the writing of novels and memoirs to the opening of museums and memorials, the activities of heritage associations and state-led celebrations—has filled an identity vacuum in the three countries and helps the Jews from North Africa and Egypt to define their Jewishness in Europe and Israel today but also reinforce their connection to a vanished world now remembered with nostalgia, affection, and sadness.

**Sea of Rust** C. Robert Cargill, 2017-09-05 A scavenger robot wanders in the wasteland created by a war that has destroyed humanity in this evocative post-apocalyptic robot western from the critically acclaimed author, screenwriter, and noted film critic. It's been thirty years since the apocalypse and fifteen years since the murder of the last human being at the hands of robots. Humankind is extinct. Every man, woman, and child has been liquidated by a global uprising devised by the very machines humans designed and built to serve them. Most of the world is controlled by an OWI—One World Intelligence—the shared consciousness of millions of robots, uploaded into one huge mainframe brain. But not all robots are willing to cede their individuality—their personality—for the sake of a greater, stronger, higher power. These intrepid resisters are outcasts; solo machines wandering among various underground outposts who have formed into an unruly civilization of rogue AIs in the wasteland that was once our world. One of these resisters is Brittle, a scavenger robot trying to keep a deteriorating mind and body functional in a world that has lost all meaning. Although unable to experience emotions like a human, Brittle is haunted by the terrible crimes the robot population perpetrated on humanity. As Brittle roams the Sea of Rust, a large swath of territory that was once the Midwest, the loner robot slowly comes to terms with horrifyingly raw and vivid memories—and nearly unbearable guilt. *Sea of Rust* is both a harsh story of survival and an optimistic adventure. A vividly imagined portrayal of ultimate destruction and desperate tenacity, it boldly imagines a future in which no hope remains, yet where a humanlike AI strives to find purpose among the ruins.

**Memories of the Future** Siri Hustvedt, 2019-03-19 Longlisted for the 2020 Andrew Carnegie Medals for Excellence A provocative, exuberant novel about time, memory, desire, and the imagination from the internationally bestselling and prizewinning author of *The Blazing World*, *Memories of the Future* tells the story of a young Midwestern woman's first year in New York City in the late 1970s and her obsession with her mysterious neighbor, Lucy Brite. As she listens to Lucy through the thin walls of her dilapidated building, S.H., aka "Minnesota," transcribes her neighbor's bizarre and increasingly ominous monologues in a notebook, along with sundry other adventures, until one frightening night when Lucy bursts into her apartment on a rescue mission. Forty years later, S.H., now a veteran author, discovers her old notebook, as well as early drafts of a never-completed novel while moving her aging mother from one facility to another. Ingeniously juxtaposing the various texts, S.H. measures what she remembers against what she wrote that year and has since forgotten to create a dialogue between selves across decades. The encounter both collapses time and reframes its meanings in the present. Elaborately structured, intellectually rigorous, urgently paced, poignant, and often wildly funny, *Memories of the Future* brings together themes that have made Hustvedt among the most celebrated novelists working today: the fallibility of memory; gender mutability; the violence of patriarchy; the vagaries of perception; the ambiguous borders between sensation and thought, sanity and madness; and our dependence on primal drives such as sex, love, hunger, and rage.
