The Adventures of Huckleberry Finn Mark Twain, 1996

*The Adventures of Huckleberry Finn* Mark Twain, 2021-02-07 Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry Huck Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

*Mark Twain and the Brazen Serpent* Doug Aldridge,2017-03-13 Focusing on the overarching theme of religious satire in *Adventures of Huckleberry Finn*, this study reveals the novel's hidden motive, moral and plot. The author considers generations of criticism spanning the 19th, 20th and 21st centuries, along with new textual evidence showing how Twain's richly evocative style dissects Huck's conscience to propose humane amorality as a corrective to moral absolutes. Jim and Huck emerge as archetypal twins--biracial brothers who prefigure America's color-blind ideals.

*What Is the What* Dave Eggers,2009-02-24 What Is the What is the story of Valentino Achak Deng, a refugee in war-ravaged southern Sudan who flees from his village in the mid-1980s and becomes one of the so-called Lost Boys. Valentino's travels bring him in contact with enemy soldiers, with liberation rebels, with hyenas and lions, with disease and starvation, and with deadly murahaleen (militias on horseback)--the same sort who currently terrorize Darfur. Eventually Deng is resettled in the United States with almost 4000 other young Sudanese men, and a very different struggle begins. Based

closely on true experiences, What Is the What is heartbreaking and arresting, filled with adventure, suspense, tragedy, and, finally, triumph.
