Il volto verde Gustav Meyrink, 2000

The Green Face Gustav Meyrink, 2018-02-05 Of the volumes available to the English public, *The Green Face*, first published in 1916, is the most enjoyable. In an Amsterdam that very much resembles the Prague of *The Golem*, a stranger, Hauberisser, enters by chance a magician's shop. The name on the shop, he believes, is Chidher Green; inside, among several strange customers, he hears an old man, who says his name is Green, explain that, like the Wandering Jew, he has been on earth 'ever since the moon has been circling the heaven.' When Hauberisser catches sight of the old man's face, it makes him sick with horror. The face haunts him. The rest of the novel chronicles Hauberisser's quest for the elusive and horrible old man. Alberto Manguel in *The Observer* This translation of *The Green Face* evokes a brooding, pre-first world war Amsterdam of ghettos, refugees and religious cults. The novel can be read on many levels, something which no doubt contributed to its longevity. Eric Hidrew in *The Leeds Guide* Gustav Meyrink's most mystical novel yet. First published in 1916 to critical and commercial acclaim, the book is set in the near future of post-war Amsterdam, and is an elating vision of apocalypse. A trait of Meyrink's novels, particularly *The Green Face*, is its depth of meanings, which go beyond one single interpretation. It deals with love, a galaxy of grotesque characters, but it has other hidden significances, like the mystic conception of life. Full of symbols and parables, it's a very complex novel that is difficult to understand, but certainly worth the trouble. DT in *Buzz Magazine*

L'histoire du mariage princier Stéphane Bern, Robert Calcagno, 2011-10-27 L'union du Prince Souverain Albert II de Monaco avec Mademoiselle Charlène Wittstock, le 2 juillet dernier, n'est pas seulement la consécration d'une belle histoire d'amour comme on en lit dans les contes de fées, elle constitue assurément une page d'histoire contemporaine qui intéresse tous ceux qui aiment la Principauté et son Histoire sept fois séculaire. Pour la faire revivre et retranscrire au mieux la ferveur populaire, l'émotion et le recueillement de la messe nuptiale, l'impressionnant cortège de chefs d'Etat et la chaleur d'une fête qui sut être aussi conviviale que fastueuse, le Musée océanographique de Monaco a la joie de vous faire entrer dans les coulisses du mariage princier en vous présentant quelques-uns des éléments symboliques qui l'ont constitué.

Mobility between Africa, Asia and Latin America Ute Rösenthaller, Alessandro Jedlowski, 2017-08-15 Trade connections and cultural exchange between Africa and the rest of the global South have existed for centuries. Since the end of the Cold War, these connections have expanded and diversified dramatically, with emerging economies such as China, India, and Brazil becoming increasingly important both as sources of trade and as a destination for African migrants. But while these trends have attracted growing scholarly attention, there has so far been little appreciation of the sheer breadth and variety of this exchange, or of its deeper social impact. This collection brings together a wide array of scholarly perspectives to explore the movement of people, commodities, and ideas between Africa and the wider global South, with rich empirical case studies ranging from Senegalese migrants in Argentina to Lebanese traders in Nigeria. The contributors argue that this exchange represents a form of 'globalization from below' which defies many of the prevailing Western assumptions about migration and development, and which can only be understood if we consider the full range and complexity of migrant experiences. Multidisciplinary in scope, *Mobility between Africa, Asia and Latin America* is essential

reading for students and scholars across the social sciences interested in the interconnected economic and social make-up of the global South.

Maschera e Volto dello Spiritualismo Contemporaneo Julius Evola, 2013-10-11T00:00:00+02:00 Pubblicato in origine nel 1932, riunendo saggi apparsi negli anni precedenti, e poi ristampato nel 1949 e nel 1971 con aggiornamenti, questo libro risulta di una sconvolgente attualità, tale da poter essere ancora oggi utilizzato come un illuminante manuale per orientarsi nel babelico “spiritualismo contemporaneo” degli anni 2000 e per evitarne le trappole. Infatti, ancora oggi sono numerosi gli ambienti che si interessano al cosiddetto “sovrasensibile” e che riscoprono dottrine “occulte” ed esotiche, dandosi talvolta anche a pratiche evocatorie, cercando esperienze inusitate, votandosi a eccessi “contestativi”. Maschera e volto dello spiritualismo contemporaneo è stato uno dei primissimi libri, all’inizio degli anni Trenta del Novecento, a mettere in guardia profeticamente contro questi pericoli.

The Fire Within Elena Borelli, 2014-04-11 Desire for love, desire for knowledge, desire to possess, desire to desire and to be desired: our life is shaped by what we want and by our efforts to achieve it. Hailed by philosophers and psychoanalysts as the core of human identity, desire informs not only our actions, but also our dreams and hopes and their sublimation into art and literature. This collection of essays explores how desire is portrayed in modern and contemporary Italian literature, by analysing some of the most interesting literary figures of the last two centuries. The authors of this collection approach desire from various perspectives - psychoanalytical, sociological, political and semiotic - in order to show that desire, albeit at times not explicitly mentioned, pervades the literary works of modern and contemporary Italy, either as a central theme or as the secret motor of the narrative. Through the fil rouge of desire, the essays of this collection highlight the international dimension of Italian literature, establishing a connection between Italian authors and the major theoretical works of the last two centuries. As the notion of desire, as represented in literary texts, is informed by psychoanalytical and philosophical concepts that operate across the boundaries of nationality and language, modernists and scholars of Comparative Literature will find the papers in this book of considerable interest.

Freud and Italian Culture Pierluigi Barrotta, Anna Laura Lepschy, Emma Bond, 2009 This book explores the different ways in which psychoanalysis has been connected to various fields of Italian culture, such as literary criticism, philosophy and art history, as well as discussing scholars who have used psychoanalytical methods in their work. The areas discussed include:

the city of Trieste, in chapters devoted to the author Italo Svevo and the artist Arturo Nathan; psychoanalytic interpretations of women terrorists during the anni di piombo; the relationships between the Freudian concept of the subconscious and language in philosophical research in Italy; and a personal reflection by a practising analyst who passes from literary texts to her own clinical experience. The volume closes with a chapter by Giorgio Pressburger, a writer who uses Freud as his Virgil in a narrative of his descent into a modern hell. The volume contains contributions in both English and Italian.
