Why Women Have Better Sex Under Socialism Kristen R. Ghodsee, 2018-11-20 A “brilliant,” “engaging,” and “valuable,” (Financial Times) exploration of why capitalism hurts women and how socialism, when done right, can bring economic independence, better labor conditions and, yes, even better sex. In a witty, irreverent op-ed piece that went viral, Kristen Ghodsee argued that women had better sex under socialism. The response was tremendous — clearly she articulated something many women had sensed for years: the problem is with capitalism, not with us. Ghodsee, an acclaimed ethnographer and professor of Russian and East European Studies, spent years researching what happened to women in countries that transitioned from state socialism to capitalism. She argues here that unregulated capitalism disproportionately harms women, and that we should learn from the past. By rejecting the bad and salvaging the good, we can adapt some socialist ideas to the 21st century and improve our lives. She tackles all aspects of a woman's life - work, parenting, sex and relationships, citizenship, and leadership. In a chapter called Women: Like Men, But Cheaper, she talks about women in the workplace, discussing everything from the wage gap to harassment and discrimination. In What To Expect When You're Expecting Exploitation, she addresses motherhood and how having it all is impossible under capitalism. Women are standing up for themselves like never before, from the increase in the number of women running for office to the women's march to the long-overdue public outcry against sexual harassment. Interest in socialism is also on the rise -- whether it's the popularity of Bernie Sanders or the skyrocketing membership numbers of the Democratic Socialists of America. It's become increasingly clear to women that capitalism isn't working for us, and Ghodsee is the informed, lively guide who can show us the way forward.

Free Speech Isn't Free Roosh V, 2016-05-31 Free speech may be your right, but unless you fight for it, you'll lose it. That is the message of Free Speech Isn't Free, which chronicles how organizing a lecture tour for masculine men inserted Roosh Valizadeh into an unexpected free speech fight spanning several continents, putting both him and his family in danger from the globalist establishment and their mob of deranged social justice warriors. After becoming activated by mass-scale media distortions and mayoral denouncements, the SJW mob in Canada rose up against Roosh and his followers to halt his tour. Roosh refused to cancel and set out to hold the lectures in secret. He shares how he fought back against the mob while trying to come to terms with the globalist agenda that they are controlled by. The well-informed men he met throughout the tour were critical in sharing hidden knowledge that put the agenda's puzzle pieces into place. Even after the lecture, when Roosh tried to conduct happy hour meetings for his followers, a bigger worldwide outrage befell him, leading to the doxxing of his family and threats to burn their house to the ground. Free Speech Isn't Free shares that story for the first time in a special epilogue, and what was going through the mind of a man who was the number one target for a 1984-inspired two minutes of hate that took place worldwide. How far will you go if the establishment attacks you for what you believe in? Are you ready to defend yourself if they come after your reputation, your job, and your family? Free Speech Isn't Free shows what one man did when powerful groups tried to silence him, and everything he learned during the most momentous months of his life that will help others be able to identify and defend against attacks in their own lives. Bonuses included are the transcript of the dangerous speech that started it all, The State Of Man, and an important new feature explaining how to keep yourself safe from social justice attacks.

The Mystery Method Mystery,Chris Odom,2007-02-06 One of the most admired men in the world of seduction (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from average frustrated chumps. The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Domination Basics Drawk Kwast,2010-12-13 This book shows a blatant disregard for social acceptability as it instructs readers toward one simple goal: total domination. It's egotistical, sexist, narcissistic, and completely practical. These are the

secrets of the alpha male, and throughout the centuries, they have been the only real path to money, women, and power. If you've tried everything else, it may be time to use what actually works. Introduction In every generation there are two groups. There are the masses. For them, the world is chaotic and painful. They live most of their lives knowing something is wrong but not knowing how to fix it. Their battle cry is one of weak mediocrity. They are neither satisfied nor rested. Their biggest fear is that they will die nothing more than the sum of their failures and frustrations. There is another group. They are the elite, the Alphas. They understand the universe as an equation. They get it. They are free in all the ways that others are not because they are free of fear. Everything is in abundance for them. They have the friends you want. They have the jobs you want. They have the cars you want parked in front of the houses you wish you owned. They experience the life you want while surrounded by the women you want. All the things you dream about, they know how to get - easier, faster, and smarter than you can. At the end of every day, they sleep with ease, looking forward to the next day's adventures. Which group are you a member of? What if you had a choice? This book will give you that choice. Inside You Will Discover... Part 1: Social Basics Being the envy of those around you How you choose to see yourself and those around you dictates how you assign value. We are going to stack the deck in your favor by preventing you from sabotaging your own value and stopping you from over-inflating the value of those around you. With these skills, you can thrive in any social environment. Part 2: Business Basics Failure and other necessary ingredients for success This is your guide for maneuvering when things periodically and inevitably go wrong in the business world. Where most men become paralyzed, you will become stronger. This is the art of building today's success out of yesterday's failures. Part 3: Power Basics Understanding the source and nature of your power The source and nature of your power is no great secret, yet most men will never understand these concepts because they expect complex answers. By accepting the truths you didn't expect, and taking action on a plan that is deceptively simple, you will gain power far beyond what you thought possible.
