**Get Your Hopes Up!** Joyce Meyer,2015-04-09 One of the most powerful forces in the universe is hope--the happy and confident anticipation that something good is going to happen. Regardless of where one is in life, it is impossible to live successfully and to the fullest without hope. With GET YOUR HOPES UP! Joyce will help readers achieve a lasting sense of hope, built on their faith in God. Hope is only as strong as its source. This book will help readers avoid misplacing their trust in unreliable things, and help them ground their hope steadfastly in God for limitless joy and possibilities for their lives. As Joyce explains, Without hope in God, there isn't much you can do, but with Hope in God, there isn't much you can't do.

As he says himself, 'I am seventy-seven years old, and for seventy-two years and one hundred and eleven days I threw my life down the toilet...' Is it too late for him to rediscover his passion for love and life? Already an international bestseller, The Temptation to Be Happy is a coming-of-age story like no other. 'Immensely charming... **Marcovaldo** Italo Calvino,2012-10-26 A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in *Marcovaldo* are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

Religious Narratives in Italian Literature after the Second Vatican Council Jenny Ponzo, 2019-03-18 This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.
