Don't Send a Resume Jeffrey J. Fox, 2001-11-01 Anyone who thinks getting a good job is easy in this booming economy should think again. The real plum jobs are out there, but they're harder to get than ever. Now, bestselling author and innovative thinker Jeffrey J. Fox steps up to the plate once again with this no-nonsense collection of surprising and daring rules for landing the right job. Fox offers a Job-Getting Blueprint, a Job-Seeker's Glossary, several first interview questions, as well as the basic form and variations for a boomerang letter. His rules not only help today's job seekers devise a winning strategy, but also show them how to prepare for and make the best impression in an interview.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Professor Is In Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Careerealism J. T. O'Donnell, 2008-04 Why are so many people unhappy on-the-job? . As many as 7 out of 10 Americans are currently dissatisfied with their careers. . Expensive college degrees are seen by our society as a requirement to enter the American workforce. Yet, many students fail to graduate with the skills and knowledge necessary to embark on a satisfying career path. The result is an unprepared individual, saddled with debt, and frustrated with a system that has left them hanging with respect to making good career decisions. . The concept of work-life balance continues to elude our society as thousands of workers complain of 'living to work' instead of 'working to live.' It's no secret that career satisfaction eludes much of the American working population, but what's worse is the lack of resources and coaching to help today's employee find the career satisfaction they seek. In this innovative, step-by-step guide, workplace expert, professional development specialist, and nationally syndicated career advice columnist, J.T. O'Donnell (www.jtodonnell.com) unlocks the secrets to working smarter when it comes to creating a career you can get excited about. With more than 15 years experience, having coached thousands of individuals, O'Donnell will show you how to develop an authentic definition of professional success that will get you results. Here's what readers have to say: Her strategic approach really helped me flesh out what traits and experience I brought to the table for a potential employer in a different field. Her methods, encouragement and continued support have led me to find the right career path.- Helen D. I hated my job, wanted out, and didn't know where to begin. I had a decision to make: I could continue on the track to working my 9-5 job in front of a desk and let it define me and make me miserable, or look for something different. J.T. showed me that it's not your job that defines you at all; it's you who defines your job. She worked with me to figure out my strengths and work on my weaknesses. J.T. helped me learn that who I am is far more than the paycheck I bring in. Through that exploration of my own real desires, J.T. helped me to realize that I needed a far more creative outlet to be successful in. I can truly say that without J.T.'s help, I certainly would not be where I am today. I'm more aware of my life and the people in it...I absolutely love my job and really feel successful. I owe an immense amount of gratitude to J.T. for getting me to this place in my life. - Danielle H. The information in this book is so on target, I

wish I'd found it earlier in my career. I can't begin to express what it is like to have finally found not just the reasons, but the solutions, to my past career disappointments.- John T.

Resume Writing Without Paid Work Experience Walter L. Fortson,Harve L. Nichols,2001 What others are saying about this book: ADULT PROGRAMS ADULT BASIC AND LITERACY EDUCATION PROGRAMS: I like it because it is such an engaging, upbeat and enjoyable book that I had trouble putting it down. I especially like the way that it gives concrete examples to show my students how to meet the qualifications of a particular job. Otherwise they would probably never think that they had a shot at the position. Volunteers can use it even if they have no formal training in adult education because everything is clearly spelled out and the forms are spacious. Ñ Judith Aaronson, founder of the Pittsburgh Literacy Council WELFARE TO WORK, WIA PROGRAMS: This is an invaluable tool for a population that wants to be productive, but doesn't know how to present themselves in a light that will ensure employment. And for those with work histories it lets them to more easily identify the valuable transferable skills that they possess. Ñ Dr. Georgine Scarpino, former director of JTPA/WIA and Welfare to Work programs PROGRAMS FOR PERSONS WITH DISABILITIES: In providing employment support services to persons with disabilities, oftentimes there is a lack of work history or gaps in employment. This book is a tool to develop a resume that draws from life experience and non-paid work experiences. Just working through the suggested activities can be a confidence builder for individuals seeking employment. Ñ Diane Celidonia, Supervisor, Employment Services

Fire Your Resume! Greg Wood,2013-11-01 This essential guide is designed to help you quickly succeed in your search for

employment in today's economy. Things have changed, times have changed, and times are tough. Old methods that typically rely on resumes and cover letters no longer work. New strategies and tools are needed for job-hunting success, and you will find them here. The Hire Advantage combines the four key milestones to employment based on Greg Wood's proven job-hunting series, TheHireRoad: Packaging - teaches you how to implement new and unique tools that will clearly separate you from your competition. Promotion - introduces strategies and techniques that help you successfully penetrate the hidden job market by broadcasting your value to the business community, not your resume. Product Demonstration - teaches you the techniques to conduct a proactive, strategic interview that will greatly enhance your chances of getting the offer.
